Storey's Summer Plus Insoles

Comfort footbed for hygienic freshness

The anatomically shaped footbed moulds to the user's foot, helping to relieve pressure on the foot, joints and ligaments. Hygienic upper regulates moisture and bacteria build up. Comfortable soft pads cushion the heel and ball of the foot. The integrated recess around the big toe actively supports the natural rolling movement of the foot. The yellow elastic layer is breathable and supports the longitude arch of the foot. Washable by hand up to 30 c. Place the footbed into the shoe with the material side facing upwards.

Code:
167177+ W6-10
167176+ M6-13

- 1 Grey polyester
- 2 Memory latex 1.5mm
- 3 White felt 450g
- 4 Yellow EVA 2.2 perforated

Storey's Soft Plus Insoles

Soft scented latex insoles

Soft Plus scented latex insoles have an odour control soft cotton upper layer. Bottoms are made of an optimum cushioning foam for extra comfort. Perforations allow effective air circulation around the shoe. Place your Soft Plus footbed into the shoe with the fabric side up.

Code:
167173+ W6-10
167172+ M6-13

- 1 Cotton/ Cotton
- 2 Latex/ Latex

Storey's Sport Plus Insoles

Sports footbed with shock-absorbing anti-shock material

Sport Plus footbeds are made with a shock absorbing microfibre upper offering excellent absorption of foot moisture that can cause bacteria. An anatomically shaped footbed made from thermally moulded foam, ensures a secure fit and helps to relieve joint pressure. Special inserts around the heel and ball of the foot have a shock-absorbing and cushioning effect. Removable insoles that are perfectly suited to sport shoes. Washable by hand up to 30 c. Place your Sport Plus footbed into the shoe with the material side facing upwards.

Code:
167181+ W6-10
167180+ M6-13

- 1 Microfiber Alaska
- 2 Grey PolyEVA 5 mm
